SEPTEMBER 2026

@NSU_RCTE

September Diversity Theme: EL Learners

Each month we will highlight a diversity theme and for the month of September, we will be focusing on EL Learners! Stop by the centers on each campus and check out our bulletin board with teaching tips on how to support all EL Learners in your classroom!

Have You Checked In?

Please remember to scan the QR code and check in each time you visit the center!

Need Something Printed?

We are here to help! We can print B&W or Color for you! Simply e-mail us at rcte@nsuok.edu with your documents (must be a PDF), quantity needed, when it is needed by (we need at least 24 hours notice), and campus location. **We will reply when it is ready to be picked up in your respective center.**

BA students: Email Erin at hirsch@nsuok.edu to receive the Google Meet link.

COMMUNITY PARTNER SPOTLIGHT

Tulsa County Parks – Project Learning Tree: Supporting Teachers

Project Learning Tree provides hands-on, nature-based learning resources that help teachers bring environmental education into the classroom and outdoors. Teachers can access engaging activities, lesson plans, professional development, and resources focused on forests, wildlife, sustainability, and conservation.

Explore resources for your classroom: projectlearningtree.org

Illinois River Watershed Partnership: Supporting Teachers

The Illinois River Watershed Partnership provides hands-on environmental education and classroom resources that help teachers connect students to the Illinois River and their local watershed. Teachers can access educational programs, field experiences, lesson plans, and activities focused on water quality, conservation, and protecting Oklahoma's natural resources.

Explore resources for your classroom: irwp.org

Oklahoma Forestry Services: Supporting Teachers

Oklahoma Forestry Services provides free educational resources and hands-on learning opportunities to help teachers bring forestry, conservation, and environmental science into the classroom. Teachers can find lesson plans, activities, workshops, and outdoor learning experiences that connect students to Oklahoma's forests and natural resources.
