

# THE MILKEN MENTOR PROGRAM

**The goal of this program is to create connections to inspire and support future educators.**

## STRUCTURE OF THE PROGRAM

- NSU Interns will be paired with a Milken Educator from across the State of Oklahoma.
- The pair would meet briefly once a month virtually (15-20 minutes) and discuss how their internship is going. There will be a different focus each month for interns to ask questions about such as classroom discipline, curriculum, best teaching practices, ect.

We would also meet virtually as a whole group

- once a semester to be able to share ideas together.

## TIMELINE

- The Milken Mentor Program will start during the semester of the intern's final internship, and continue throughout the Fall semester of their first year of teaching.
