

Order Form for Learning Styles Inventories

Thank you for your interest in Learning Styles! Our office can provide and process the Dunn & Dunn Learning Styles Inventory for persons 3rd grade through adulthood. For a fee of \$2.00 per test, our office will **supply, score, and provide a one page graphic profile** on each test taken. This is recommended for those experienced in interpreting the Learning Styles Inventory. For a fee of \$3.00 per individual test, our office will **supply, score, and provide a one page graphic profile and a summary narrative** of what is needed for each learner to succeed. This is recommended for those who may be novices at interpreting the Learning Styles Inventory and is an excellent tool for educating parents of the Learning Styles Process.
