## Broken Arrow Health & Human Performance

As of this fall, the Broken Arrow campus now offers the Health & Human Performance major! Reach out to your advisor for more information.

## Transcripts from Other Schools

Have you recently taken a class at another college? Make sure that you get an updated transcript from that college turned into NSU as soon as possible. If your transcript is not up to date, a hold will be placed on your account that prevents you from adding or dropping courses for fall and spring.

## Holds on your Account

Holds on your account can prevent you from adding/dropping courses for the current or upcoming semester! To check and see if you have any holds, go to the "Students" tab at the top of your goNSU account, then look for the "View Holds" link.

**Schedule a Spring 2020 enrollment appointment with your advisor soon!**
